

Homeopathy is implemented in a larger percentage of cases than any other method of treatment. It is beyond a doubt a complete medical science that is one of the safest and gentlest practices for the elderly, pregnant women and children included.

Dr. Basharat Ahmad is a co-founder of Heavenly Herbals, Inc. and is highly respected in the Alternative Medicine community. He has worked in the Homeopathic field for over 20 years and serves many charity organizations voluntarily.

He is well-known for his work with diabetes, thyroid, women's health, arthritis, infertility, sinusitis, hypertension, skin, hair, allergy, asthma, migraine headache, spondylitis and child diseases.

The online Homeopathic doctor consultation is a reliable platform where you get to be helped by one of the best Homeopathy practitioners through a live chat. Dr. Basharat Online Clinic boasts of a team of dedicated doctors qualified in Homeopathy. The doctors' team constantly tries to provide effective homeopathy assistance to their patients.

Online consultation in the USA, UK, Canada, Germany, UAE, Pakistan, India and Worldwide by a homeopathic doctor is available at the Heavenly Herbals, Inc. website; [www.wellnesHerbs.com](http://www.wellnesHerbs.com). Dr. Basharat is a highly qualified Homeopathic Doctor, who, during the Homeopathic consultation online, gains thorough knowledge regarding the health of the patient as well as the symptoms the patient is experiencing. With detailed understanding and information, a remedy is prescribed to relieve the symptoms. Dr. Basharat examines his patient

thoroughly. The first step is to understand the nature of his individual patient, treating them in a unique way, a remedy created based on their own specific needs.

During the online consultation, the patient will be asked many questions. These include questions about past medical records, character traits, stress generators, likes and hates, way of life and desires, etc. For this reason, the patient must fill out an online questionnaire.

Dr. Basharat needs to know your unique symptoms and how you express yourself physically and mentally. Patients suffering from the same ailment may require dissimilar homeopathic medicines to feel a change in their symptoms.

The first online consultation typically ranges from 40 minutes to an hour. Follow up sessions occur after 4 weeks or less according to the doctor's recommendation. In the second session, you are asked about the changes that have taken place. Based on this, the next step is decided and discussed.

Dr. Basharat is a motivated, registered doctor that has worked with an abundance of symptoms at his online clinic in New York, USA. If you are in search of a Homeopathic doctor that truly listens and works with his patients to find the best remedy for them, Dr. Basharat has 20 plus years of experience and his team is ready to help you.
